Portesbery Siblings Event Primary

Dear Parents and Carers,

Dates have been set for several **Siblings Afternoons** here at Portesbery for **primary aged siblings'** between 5 and 11 years old. These are valuable opportunity for siblings to experience what we do here at Portesbery and to meet other siblings.

The sessions will typically start at 12pm. Siblings will join our students in the school hall for lunch and then go outside to play. In the afternoon siblings will join a class and participate in typical school activities. Siblings may join in After School Club at the normal cost of £8 or will require collection at 3:15pm.

Dates for the diary;

Friday 15th November – Children in Need

Friday 21st March – Sports Relief

Friday 20th June

I will send a reminder home before each Siblings Afternoon with a reply slip attached. I will also write to the Mainstream School Head Teachers and ask them to support what we are doing as an authorized absence. However I recommend you also write and ask for permission for your child to come out of school.

If you have any questions please contact me via the school office telephone number or by email
sam.coomber@portesbery.surrey.sch.uk

Many thanks,

Sam Coomber
Assistant Head Teacher

- A happy school where every one matters -
