

Hello!

—

I

am

a

Virus,

cousins

with

+

the

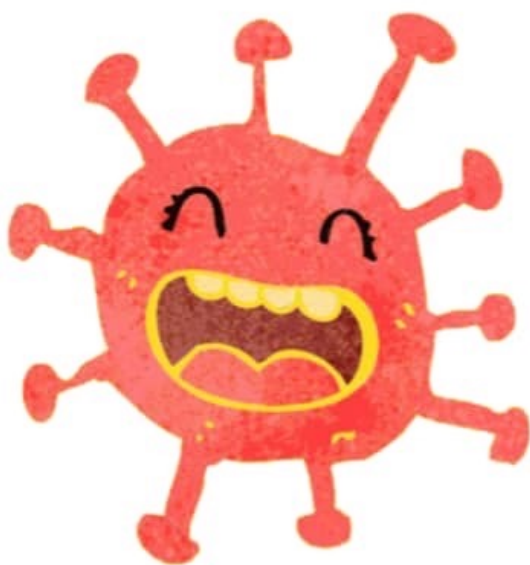

Flu

and

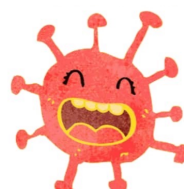

the

Common

Cold

=

My

Name

is

Coronavirus

I

love

to

travel...

+

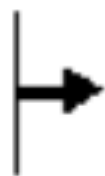

and

to

jump

from

hand

to

hand

to

say

Hi

Have you heard about me?

YES

NO

+

And how do you feel when you

hear my name?

Relaxed

Confused

Worried

Curious

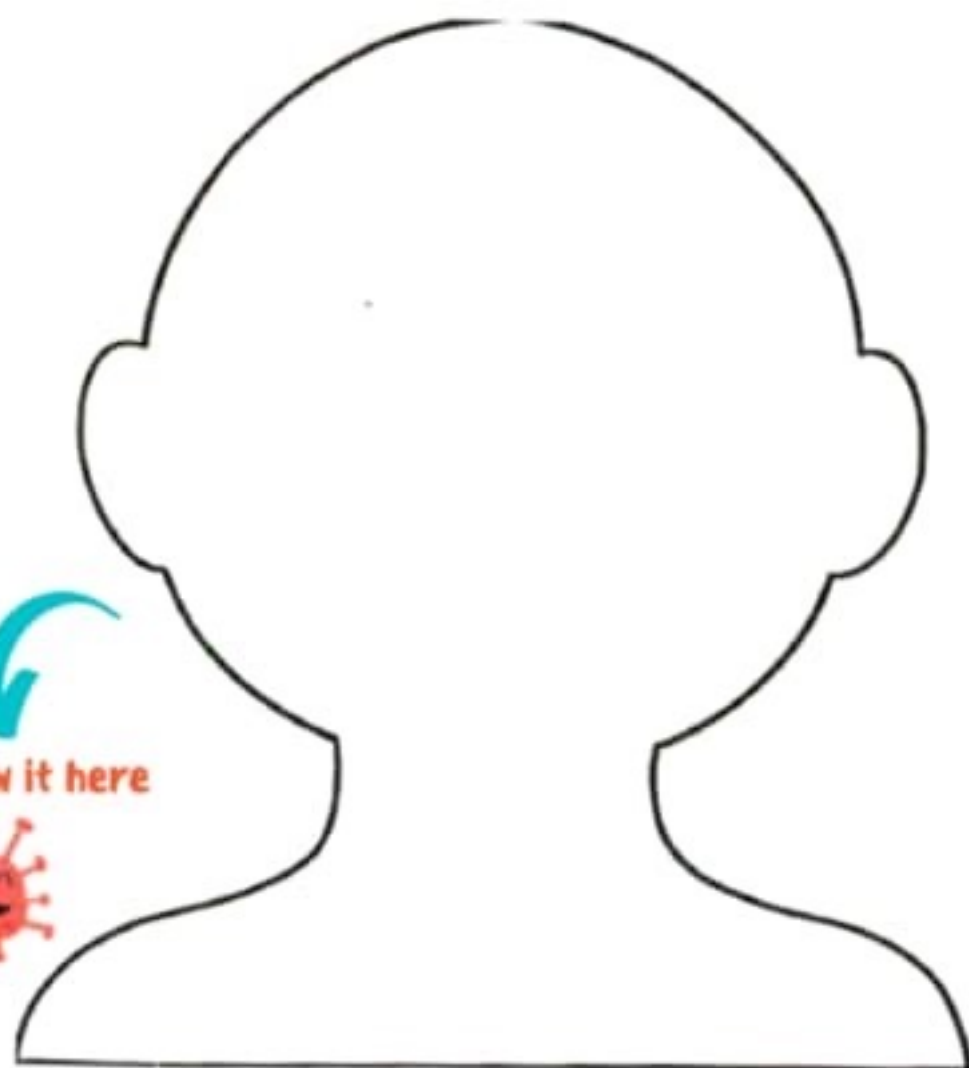

Nervous

Sad

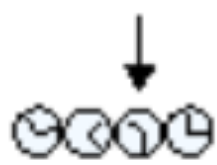

I can understand you feel...

Draw it here

...I would feel the same way

Sometimes

adults

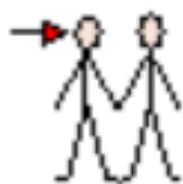

get

worried

when

they

read

the

news

or

see

me

on

the

TV.

But

I

am going

to

explain

myself...

So

you can

understand...

When

I

come to

visit

I

bring...

Difficulty

breathing

Cough

Fever

But

I

don't stay

with

people

for

long,

and

almost

everyone

gets

better.

Just like when you

get a scrape on your

knee and it heals.

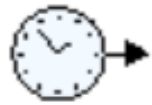

Bye bye

Don't you worry!

The adults who take care of you will keep

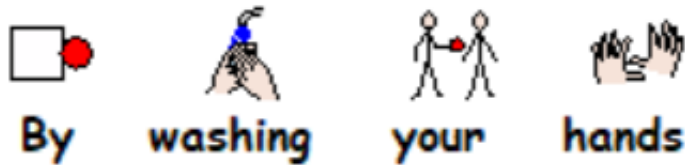

you safe.

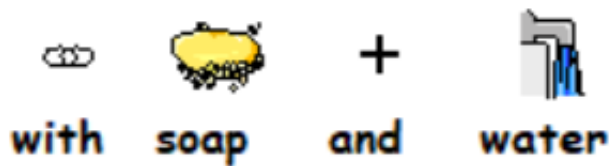

And you can help...

1

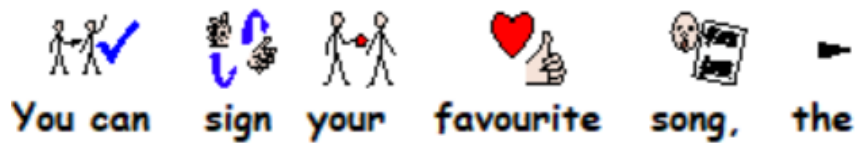

By washing your hands

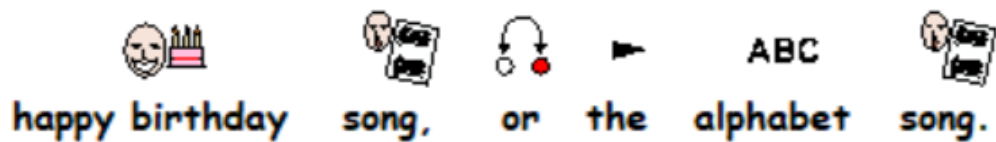

with soap and water

while singing a song.

You can sign your favourite song, the

happy birthday song, or the alphabet song.

2

By

using

hand

sanitizer

+

and

letting

it

dry

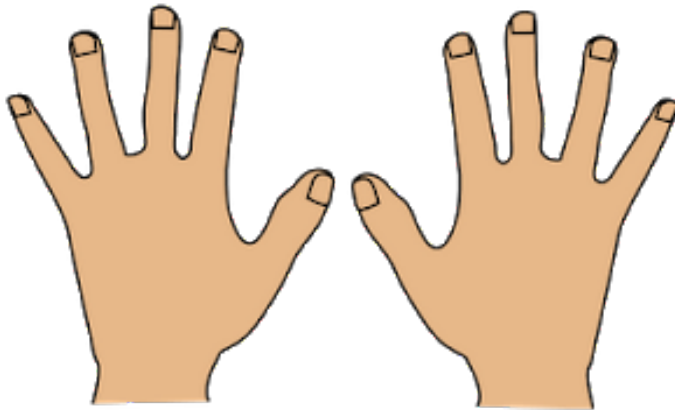

on

your

hands,

Without

moving

them

count

10

to 10

Once your

hands

are

-

dry

you can

get

back

to playing!!

... If you do all of that
 I will not come to visit

While the doctors work to find a vaccine
 that will allow me to say hi without
 you getting sick.

The end.
