

Coronavirus

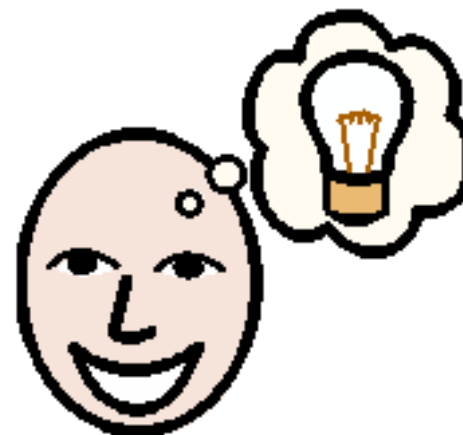

Coronavirus is making a lot of people sick

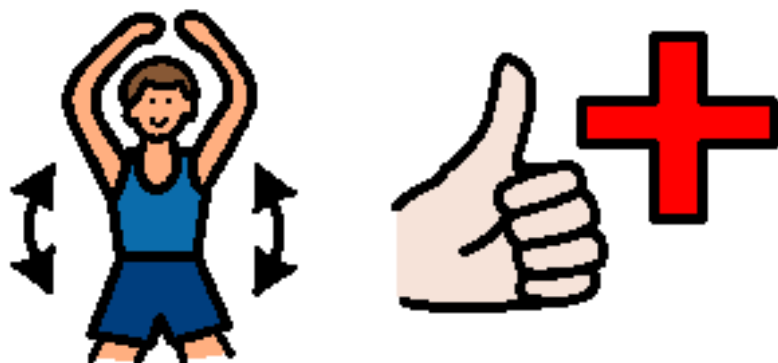

Coronavirus

There are things we can do to try to stay healthy

It is important that we all stay safe and try our best to stay fit and healthy

Your staff will help you to remember the things that will help to keep you healthy.

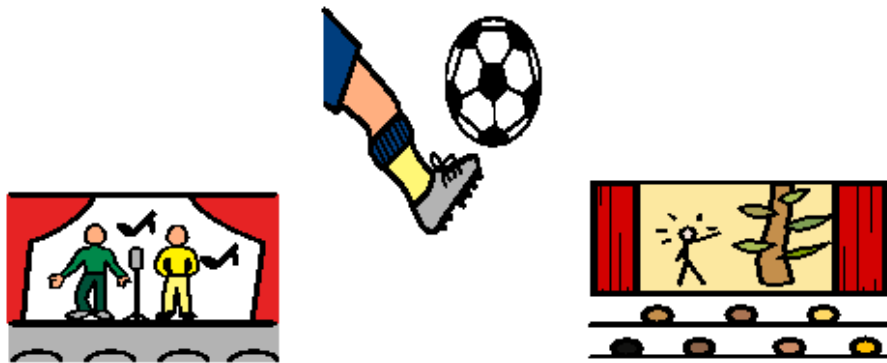

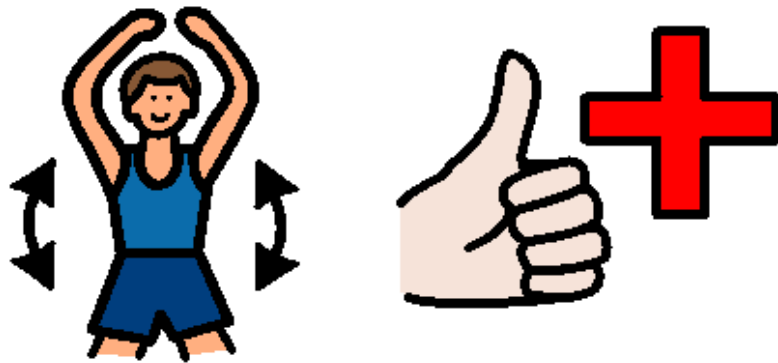

Coronavirus

Some of the activities we do are going to stop until after the Coronavirus has gone

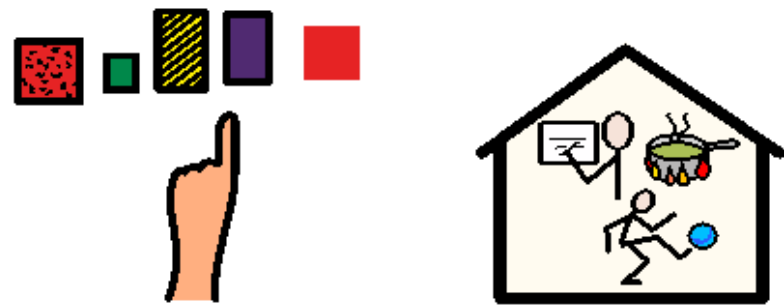

stopping some of the activities you do is going to help to keep you safe and healthy

Coronavirus

your staff will find other things for you to do until your activities start back up again

everything will get back to normal soon
